

LIVE NEWS OF TWO PITTSBORO

[THE SCRANTON TRIBUNE'S Pittsboro department is in charge of J. M. Fahy, to whom news items and complaints may be referred.]

NO COUNCIL MEETING.

The West Side Borough Fathers Fail to Secure a Quorum.

The special meeting of the West Side council, which was called for Saturday evening, failed to materialize. This was due to the failure of sufficient members appearing themselves from the meeting.

When the time for convening arrived there were present O. C. Foster, F. B. Sanders, John Struthers and James Sutton. It was therefore decided that a meeting be called for next Thursday evening, Feb. 23.

The meeting was called for the purpose of considering and passing upon, if found satisfactory, the ordinance of the Traction company now before the council relative to the paving, etc., portions of the streets upon which are laid tracks.

It is calculated that, at the rate of \$1.38 per yard, which is the price of paving which the Traction company agrees to pay, the money that would be received by the borough from the company would be \$9,000 for paving between the rails and \$2,000 for paving outside of the rails on Wyoming and Luzerne avenues. The ordinance also provides for the payment of 6 per cent. interest on \$9,000 from April 1, 1893, to the time of payment. The above calculation is for brick laid edgewise. At the present rates for paving, it is estimated that the cost for paving between the rails, with bricks laid flat, would be 71 cents per yard, and for paving outside the rails, bricks laid edgewise, 93 cents.

At these rates the money received from the Traction company would pay for the paving of eleven feet, having but twelve feet for the property holders on both sides of the street to pay for. The cost of paving half of the above, six feet, in front of a sixty foot lot would be about \$40.

It is the consensus of opinion that the above terms are right and equitable, but with the exception of one thing. It is understood the council will insist upon the company filing an indemnifying bond of something in the neighborhood of \$20,000 to insure the faithful performance of carrying out their pledges. This done, it is said the council will give the company no further trouble.

THE MANDAMUS DENIED.

Court Rules It Has No Power in the Matter.

In the matter of the mandamus asked by Messrs. Donnelly and Shea to prevent the commissioners from printing the names of candidates Seibel, Young, Campbell and Davis in the regular Republican column the court handed down an opinion Saturday, Judge Rice saying in effect that the court had no jurisdiction as to the granting of a mandamus ordering the county commissioners to place the Republican ticket in any particular column or under any particular heading. The judge further remarked, however, that the court did not wish to be understood as expressing an opinion as to the legality of the votes that might be cast for the Republican candidates.

The county commissioners, by this action of the court, being left free to place the Republican ticket wherever they chose to, ordered it printed in the Republican column. Therefore, the names of Candidates Grow, Seibel, Young, Davis and Campbell will comprise the Republican column, there being no ward officers admitted. The regular Citizens' ticket will be allowed a column by itself, with a circle at the top, and will be headed "Original Citizens." There will also be a "Citizens' column, without a circle, for the names of independent candidates.

A CREDITABLE SHOWING.

Burgess Dewey, of West Pittsboro, Has a Record Second to None.

Burgess George W. Dewey, of the West Side, and Street Commissioner Walker have good cause to feel gratified over the excellent showing they will leave behind them if they are not returned to office on Tuesday next in administering the affairs of the borough. During their term, which is about to close, there has been an increase in the receipts of their offices over previous years as the following figures will show: Burgess' fees for past year, \$331.50, as against \$247 the previous year; fines, licenses, etc., collected by Burgess and turned over to borough treasurer, \$320.25, as against \$149 for previous year.

Through the street commissioner over \$800 has been collected and turned over to borough treasurer, more than double the amount of any previous year.

Mrs. Thomas Bush, wife of the well known merchant, passed suddenly away at her home on the West Side, Saturday morning at 5 o'clock. She had been in her usual good health up to the previous evening when in company with her husband she went to the wedding anniversary of Mr. and Mrs. George Chamberlain on Fulton street.

While removing her wrap she was suddenly seized with a pain in her heart, and was immediately conveyed to her home where she lingered until death relieved her at the hour above noted.

The struggle which is being waged so furiously by the several factions of the borough will soon end, and how? That is the question. The decision of Judge Rice and Lynch, permitting the commissioners to print the names of the Republican candidates in the regular Republican column, has given renewed inspiration to Messrs. Seibel, Young, Campbell and Davis, and to say that they are happy is but mildly expressing it.
